

# 2020-2021 TEACHER LEADERSHIP OPPORTUNITIES @ CIC

For teachers who are interested in expanding and developing their administrative skills, here are some of the experiences we anticipate sharing with interested teachers this fall.

## LEADERSHIP

- Leadership opportunities in the CIC International Baccalaureate Programs (IB)
- Implementation of the newly published CIC Strategic Plan
- Leadership with the upcoming AdvancED Accreditation Visit (2020-2021)
- Leadership with the CIC Teacher Professional Development Program (in-House)
- Leadership with the annual VANAS nation-wide event (on campus)
- Specific administrative projects (TBD)

## CURRICULUM

- Leadership with Math & Science instruction and Teacher training
- Coordination of the ES and MS overall curricula
- Participation in Community-based learning activities
- Writing segments & units within the K-12 curriculum
- Management of reporting and testing data systems
- Student advisory with IBMYP and IBDP Essays and Projects
- Development of Reading and Writing programs
- Research Skill Development – Full School

## COMMUNITY

- Leadership with on-campus events planning and implementation
- Leadership with community outreach in Venezuela (ie: orphanages, etc.)
- Overseas events supervision (ie: Model United Nations)
- Engagement leadership with school-community events
- Coaching, club supervision, and much more.

*CIC also provides teachers with the freedom to develop new programs, as well as get involved with our student clubs, teams, and more.*
